Ayala Triangle, Ayala Ave., Makati City

Attention: Ms. Janet A. Encarnacion
Head, Disclosure Department

Messrs & Mesdames:

We respond to your letter this morning, seeking our comment on the news articles entitled "Pasay denies ALI request for extension on proposal" and "ALI plans nine healthcare facilities in 4 years" posted in the Manila Times.net on October 31, 2013 and November 03, 2013, respectively. The article reported in part that:

Property giant Ayala Land Inc. (ALI) failed to get a "yes" from the Pasay City government regarding its request to extend the deadline of submission of a counterproposal to SM Group's unsolicited proposal to reclaim 300 hectares from Manila Bay.

However, a top official of ALI said that the group is "open to partnership" if ever there will be an opportunity to a business venture with the SM Group involving the said project.

....

Property giant Ayala Land Inc. (ALI) is planning to build nine healthcare facilities in the next four years in a bid to complete its offering for its mixed-use developments across the country.

In his presentation in the COL Corporate Briefing last week, ALI Chief Finance Officer Jaime Ysmael mentioned that the company has planned out to build nine healthcare facilities within its community developments nationwide.

However, Ysmael noted that the plan is just "preliminary" and no formal actions have yet been taken to pursue the establishment of the facilities.

"This is part of the expansion plans of the company just to complete the amenities of our mixed-use developments," he added.

According to him, the company has identified "specific sites" where there will put the nine healthcare facilities, although he declined to identify the locations.

....

We would like to confirm that in a letter that we received on October 31, 2013, the Pasay City Government denied our request for the extension of the deadline for the submission of counter-proposals for the 300-hectare reclamation project.

We also would like to clarify that we are still in the preliminary planning stages of establishing the first nine healthcare facilities across the country. This undertaking is part of our plan to complement the amenities offered in our mixed-use communities.

Thank you.

Very truly yours,

Pamela Ann T. Perez
Deputy Compliance Officer
